Re: Freedom of Information Act Request

To Whom It May Concern:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I hereby request records that relate to two Gas Transmission Northwest compressor stations: (1) Compressor Station #12, Source Number 09-0084; and (2) Compressor Station #13, Source Number 18-0096.

We are seeking all records for these compressor stations that relate to the Environmental Protection Agency's Regional Haze Rule. See "Protection of Visibility: Amendments to Requirements for State Plans," 82 Fed. Reg. 3078 (Jan. 10, 2017). This request includes but is not limited to correspondence with the Oregon Department of Environmental Quality.

Should you determine that any of the requested material is exempt from disclosure, please describe the material withheld and specify the basis for withholding it. All non-exempt parts of documents that are capable of segregation should be provided.

Please disclose these materials to me as they become available to you without waiting until all responsive records are assembled. I authorize costs up to \$500 associated with copying and review time to respond to this request. Please let me know in the event that the costs will exceed this amount.
